Guidelines in the Administration of the 2022 Regional Assessment Test

The guidelines in the administration of the 2022 Regional Assessment Test (RAT) will adapt the provisions as stipulated in Regional Memorandum No. 146, s. 2020 with the following revisions and additional guidelines:

1. Test Takers

The RAT shall be administered to Cordillera learners in Grades 7 and 11 in the regular and science programs in public schools and ALS elementary and junior high school completers.

2. Mode of Administration and Target Schools/Learning Centers

The RAT is an online school-based test. Thus, all public secondary schools and community learning centers (CLCs) equipped with computer units with stable internet connection are the target schools and CLCs.

3. Schedule of Administration

For the administration of the 2022 RAT, it shall be decided during the orientation of the division testing coordinators and ALS division focal persons.

4. Number of Examinees per Testing Room

The number of examinees per testing room will be dependent on the availability of computer units per testing room. Examinees per grade/category shall be alphabetically arranged in the whole school regardless of gender.

5. Testing Procedure

a. Before the start of the test

- i. The schools division office (SDO) through the DTC shall submit to the regional office the list of participating schools/centers through the RAT focal person. Please see **Annex A** for the template for the list of participating schools/centers
- ii. The regional RAT focal person shall assign a unique DepEd email address and password to each school or CLC and send these email addresses and passwords to the DTC.
- iii. The DTC shall be in-charge of the distribution of the unique DepEd email address and password to the school testing coordinator (STC).
- iv. On the day of the test, the STC shall log-in in each computer unit using the unique DepEd email address and password and open the email containing the testing link for each subject.

Note: The examinee shall not be the one to open the email. Only the unique DepEd email address shall be shared with the examinees because they need this to complete the required entries in the **Examinee Personal Information** section of the test.

- v. Only after all the computer units are ready for the testing that the STC may allow entry of examinees into the testing room. Please see **Annex B** for the procedures in accessing the test links.
