SYABAN
Integrity | Diligence | Accomplishment | Better | Advancement | Nurture Excellence

2. The activity aims to develop learning designs that are appropriate in facilitating the learning of Key Stage 1 learners in CAR using Class-In as a platform. It also aims to gather functional learning materials in digital form for Math, Science and English in Key Stage 1.

3. Participants shall bring the following:

- laptop, extension cords and data on the least learned learning competencies in Math, English/Reading and Science from Grades 1 to 3 (Key Stage 1) based on the result of FLAT, EGRA, EGMA
- data on the Top 20 Schools having the lowest results along the identified subject areas based on the results of any assessments conducted or based on the learners' academic performance for SY 2022 -2023.
- soft copies of quality assured learning materials for the identified learning areas or bring compilations or repository of learning activities that may be used for online and offline learning sessions through educational technology.
- summative assessment for Grade 1 to 3 along the three subject areas with TOS

4. Travel and other incidental expenses incurred by the participants and TWGs during the travel and the activity shall be charged against local funds or other sources subject to the usual accounting and auditing rules and regulations.

5. Immediate dissemination of and strict compliance with this corrigendum is directed.
