DIVISION MEMORANDUM
No. **042 s. 2016**

**CONDUCT OF THE FIRST QUARTER NATIONAL SIMULTANEOUS
EARTHQUAKE DRILL FOR CY 2016**

To: Chiefs, Curriculum Implementation Development (CID) and SGOD
Public Schools District Supervisors/Coordinating Principals
All Elementary and Secondary School Heads
All Teachers, Public and Private Schools

1. In support to the Office of the Civil Defense' (OCD's) Memorandum No. 103, s. 2016 re: conduct of the First Quarter Nationwide Simultaneous Earthquake Drill on March 31, 2016, all schools are hereby directed to conduct said activity within the month of March 2016.
2. As part of the earthquake drill program, school heads are required to discuss the consolidated result of the Family Preparedness Homework (DepEd 37, s. 2015) conducted to the PTA through a congress/general assembly.
3. In addition, District Supervisors, as assisted by the District DRRM Coordinators, are encouraged to spearhead the conduct of earthquake drill in their respective districts. They may coordinate with or seek assistance from the municipal DRRM Offices to assist them.
4. Submission of Post-Activity Report with photo-documentation is expected on or before March 31, 2016 for submission to higher offices (Office of the Provincial Governor, OCD-CAR, DepEd-CAR).
5. Immediate dissemination, cooperation and compliance of all is desired.

FEDERICO P. MARTIN, Ed.D., CESO VI
OIC, Schools Division Superintendent

Memorandum No. 2 s. 2016

TO : Members, Cordillera RDRRMC and
Chairpersons, LDRRMCS

FROM : Chairperson, Cordillera RDRRMC

SUBJECT : **CONDUCT OF FIRST QUARTER EARTHQUAKE DRILL**

DATE : February 19, 2016

1. The Philippines is the third most disaster-prone country in the world. Located along the Pacific "Ring of Fire" and having five (5) major fault lines, it is vulnerable to disasters such as earthquakes.
2. The region is no stranger to these disasters given the 1990 killer earthquake that unexpectedly hit and extensively devastated the City of Baguio. The City suffered the most in terms of destruction to properties and numerous deaths. Reminiscent of these previous devastations caused by these seismic activities, we as a nation must pursue excellence in disaster response.
3. Anent the Memorandum Order No. 103 s, 2016 from the Office of Civil Defense regarding the conduct **First Quarter Nationwide Simultaneous Earthquake Drill (NSED)** scheduled on **March 31, 2016**, all OCD Regional Offices are directed to spearhead the conduct of an earthquake drill in their respective regions and enhance the information dissemination on the forthcoming activity.
4. In view hereof, the undersigned respectfully reminds your respective Local DRRM Councils to facilitate and spearhead the conduct of a multi-stakeholder earthquake drill in your respective areas of responsibility. The said activity is to be participated by government offices, local government units, and the private sector.
5. Further, all IEC and advocacy activities shall be documented and submitted to the Office of Civil Defense - Cordillera Operations Section via E-mail (civildefense_car@yahoo.com.ph) not later than **April 01, 2016** for consolidation.
6. Thank you for your continuous support to the Cordillera Regional Disaster Risk Reduction and Management Council's efforts.
