All Others Concerned

**Conduct of Career Guidance Activities**

1. This office has been receiving requests from universities, colleges and state universities to conduct Career Guidance Orientations to learners in public secondary schools to inform Senior High School learners of their school's course offerings and to provide additional assistance in guiding SHS learners in making informed decisions regarding their career choices.
2. In this regard, School Heads are to ensure that the conduct of such activities shall be subject to the no disruption of classes policy stipulated in DepEd Order (DO) No. 9, s. 2005 titled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith.
3. DepEd Order No.9, s. 2005, further reiterates that there is a great need to increase engaged time-on-task to be able to meet the required number of school days in every school-year and the time allotment for the different subjects in every school day by lessening activities that take teachers and/or students away from the classroom, maximizing the use of the time allotment for every subject.
4. Immediate and wide dissemination of this memorandum is desired.
