1. The provision of mental health and psychological support services (MHPSS) is one of the key priorities of the Department of Education as reflected in its Basic Education- Learning Continuity Plan (BE-LCP). With this, the Department, through the Disaster Risk Reduction and Management Service (DRRMS) and partner organizations and institutions, developed various psychosocial support (PSS) activities and materials teachers and personnel can use for personal consumption and when providing PSS/PFA to their learners.
2. With the eventual transition from distance learning to face-to-face class, teachers will be welcoming back children with diverse experiences on the effect of the pandemic that may have impacted negatively in their mental and emotional health. It is but proper to equip the teachers with the needed skill and knowledge in providing PSS activities to learners. Hence, a Three-day Live-out Training of Teachers on Providing PSS will be conducted at SDO Benguet Adivay Hall, Wangal, La Trinidad, Benguet on March 15-18, 2022 (in two batches).
3. Attached is the list of expected participants and facilitators for information and ready reference.
