 Public Schools District Supervisors
 All Public and Private Elementary and Secondary Schools
 All Others Concerned

1. Relative to the partnership forged between SDO Benguet and TATA Consultancy Services in December 2021, four batches of training for public and private school K to 12 teachers shall be conducted from June to August 2022. The training focuses on computational skills development for K to 12 teachers in all learning areas.
2. Objectives of this training are for the participants to:
 - a. Gain enough competency on computational skills that will be helpful in their delivery of learning;
 - b. Apply inputs gained as they prepare learners for 21st century skills in this new normal teaching-learning milieu; and
 - c. Actively participate in the prepared activities and ask questions relevant to the topics discussed.
3. The table below presents the schedule and required grade level teacher participants per batch. Please ensure that identified participants are fully vaccinated. If teachers are not fully vaccinated, they must present a negative RT-PCR result on Day 1 of the training.
