Subject: **SIGHT SAVING MONTH (AUGUST)**

Date: August 20, 2018

1. August is **Sight Saving Month** with the mission to spread public knowledge about the importance of correct eye care and prevention of eye diseases. The celebration aims to emphasize the importance of protecting and taking good care of the eyes and to encourage the public to be aware of available means of restoring lost eyesight and the value of organ donation.
2. In celebration to this, the Schools Health and Nutrition Section Team leads awareness dissemination with *MENESES-CARAMAT Optical and Contact lens clinic*, with their optometrist/contact lens specialist, the clinic offers their **VISION CARE PROGRAM**, an approach in eye services. Their program aims to help the offices' employees with their visual and working efficiency.
3. There will be a free eye consultation, computerized examination and tonometry as needed for evaluation to patients at risk for glaucoma. While their services are free-of charge, wide assortment of ophthalmic eye wear frames, sunglasses, spectacle lenses all types of contact lenses protective eyeglasses and other optical products are available at a reasonable price.
4. These services are open to all employees, learners and visitors. Scheduled on August 23-24, 2018 at the Schools Health and Nutrition Section 2nd Floor, SDO- Benguet.
5. Immediate dissemination to all concerned is desired.
