**Subject: Gender and Development Re-orientation and GFPS Meeting**

Pursuant to the provisions of Section 36-b of Republic Act (RA) No. 9710, also known as the Magna Carta of Women, all government agencies are mandated to establish and institutionalize a Gender and Development Focal Point System (GFPS). This serves as the institutional mechanism that ensures gender mainstreaming in the government agencies, its attached agencies and Local Government Units (LGUs).

In order for our division to fully implement gender mainstreaming in our PPAs and for us to have a better gender-responsive programs and policies, please attend the re-orientation program on August 1, 2019 at the Adivay Hall from 8:15 AM to 5:00 PM. The re-orientation aims to:

1. update the participants about GAD mandates and programs and to
2. direct the participants in conceptualizing Gender-responsive PPAs
