Department of Education
CORDILLERA ADMINISTRATIVE REGION
Schools Division of Benguet

02 July 2024

DIVISION MEMORANDUM
No. 224 s. 2024

**ENHANCEMENT OF TEACHERS' SKILLS AND KNOWLEDGE ON SCIENCE,
MATHEMATICS, AND READING CONTENT TRAINING**

To: Office of the Schools Division Superintendent
Curriculum Implementation Division
School Governance and Operations Division
Public Elementary and Secondary School Heads
All Others Concerned

1. To enhance the learning experiences and outcomes for our learners, the school community adheres to the MATATAG Curriculum principles. Recent national assessments show poor performance in English, Math, and Science among Benguet Division learners, highlighting the need for targeted training. Thus, all identified participants (Enclosure 1) are required to attend the "Enhancement of Teachers' Skills and Knowledge on Science, Mathematics, and Reading Content" training on July 9-12, 2024 at a venue to be announced.

2. Specifically, this four-day training aims to:

- a. To equip teachers with the latest pedagogical advancements and methodologies to continuously improve teaching effectiveness in English, Math, and Science.
- b. To implement targeted training and interventions to address learning gaps identified in national assessments, encouraging the adoption of new strategies for diverse learner needs.
- c. To align teaching practices with the Philippine Professional Standards for Teachers (PPST).

3. All participants, Resource Persons, and Program Management Team must ensure that travel documents are prepared, signed, and approved before June 9, 2024.

4. Board and lodging shall be charged against HRTD Fund, while transportation expenses shall be charged against local funds subject to the usual accounting and auditing rules and regulations.

5. Immediate dissemination of and strict compliance with this memorandum is directed.

SALLY L. BANAKEN-ULLALIM CESO V
Schools Division Superintendent
