Enclosure 2: Guidelines on the Nomination for Outstanding Teacher Award 2022

1. The Outstanding Teacher Award during the observance of the 2022 National Teachers' Month aims to recognize and honor teachers who did something worthwhile for the learners and the community without having to submit means of verification (MOVs). Many teachers went the extra mile in extending sincere service or in coming up with several initiatives to uplift the situation of learners but were not previously recognized due to documentary requirements. This is their time to be given recognition, if possible.
2. A school head or a teacher-colleague may nominate a teacher for the Outstanding Teacher Award with an accompanying one to two-page write-up describing why the teacher is being nominated. Such write-up would be the basis for the plaque of recognition in case said nominee would be selected. The nomination template below is suggested:
