No. 346, s. 2024

**DISASTER RISK REDUCTION MANAGEMENT (DRRM) CONVERGENCE FOR SCHOOL HEADS, CY 2024**

To: Assistant Schools Division Superintendent  
 Chiefs, SGOD and CID  
 Public Schools District Supervisors/Districts-in-charge  
 School Heads

1. Reducing disaster risks confronting the education sector is paramount to the achievement of the DepEd's mission, that is, *to protect and promote the right of every Filipino to quality, equitable, culture-based, and complete basic education where students learn in a child-friendly, gender-sensitive, safe, and motivating environment*. Further, the Basic Education Development Plan 2030 (BEDP 2030) highlights the importance of ensuring a safe, conducive, and learner-friendly learning environment through strengthened governance and operations system.

2. As school managers and responsible officers in the management and operations services in the school during "peace-time" and emergencies/disaster situations, school heads are expected to be updated about DRRM policies and comprehensive school safety (CSS) standards. Relative to this, a two-day live-out DRRM Convergence will be conducted at Calajo Food Haus, Km. 6, La Trinidad, Benguet on the following dates:

Batch 1	October 7 – 8, 2024	See attached list of participants
Batch 2	October 15 - 16, 2024	
Batch 3	October 22 – 23, 2024	

3. Participants are expected to bring laptops, extension wire, writing pens and copies of School AIP and/or SDRRM Plans for SY 2024-2025 to be used during the activity. It is also reminded that the venue has limited parking space, hence, it is highly encouraged that participants with vehicles may opt to commute or look for nearby parking spaces earlier.

4. Lunch and snacks shall be provided chargeable against FY 2024 DPRP Funds while transportation and other incidental expenses incurred by the participants may be charged against school MOOE subject to the usual budgeting, accounting, and auditing rules and regulations.

5. For immediate dissemination, guidance, and compliance of all concerned.
