DIVISION MEMORANDUM

September 10, 2021

No. 365 s. 2021

Blended Training-Workshop for Elementary & Secondary Mathematics Teachers on Mathematical Investigation (Batch 2)

To: Public Schools District Supervisors
 School Heads

1. The DepEd-Benguet will conduct a Online Training-Workshop for Elementary Mathematics Teachers on Mathematical Investigation on September 29-Oct 1, 2021 at 8:30 AM.
2. The webinar aims to:
 - a) Upskill elementary mathematics teachers on how to conduct mathematical investigation;
 - b) Develop critical and analytical reasoning in the conduct of mathematical investigation;
 - c) Differentiate what is a problem solving and Mathematica investigation and
 - d) Be able to write a mathematical investigation following the stages.
3. The secondary school head will submit 1 participant per school and one (1) senior high math or research teacher in math offering STEM following the qualifications:
 - a) Teacher teaching grade 9-10 and Senior High School offering STEM;
 - b) Willing to come-up with Mathematics investigation output and
 - c) Willing to mentor learners.
4. Submit your recommendation following this format.
