1. DepED has its Basic Education Development Plan (BEDP) for 2023-2030. The intermediate outcome of pillar number 3 (Quality) is that learners complete K-12 basic education having attained all learning standards that equip them with the necessary skills and attributes to pursue their chosen paths. The strategy to achieve this outcome is resource provision including digital devices aligned with key stage learning standards.
2. To attain this target, Project ProGRESS was conceptualized to:
  - a) be able to contribute to the attainment of SDG # 4,
  - b) align SDO-CID activities with the BEDP for 2023-2030,
  - c) address the dearth of equipment and gadgets to be used in schools and by learners,
  - d) support Project BINDIYAN, the Brigada Pagbasa banner program of the SDO, and
  - e) implement the Basic Education Learning Continuity Plan (BELCP) and its corresponding fund allotment.
3. In connection with this, SDO-CID-LRMS prepared a Google Sheet and forwarded its link to PSDS/District Coordinators and School Heads for them to fill out the needed LR of the schools for procurement through BLCF Fund 2022.
4. Sets of Smart TVs have already been procured and delivered to the SDO on November 23, 2022. Relative to this, the PSDS/District Coordinators shall manage the hauling of the smart TVs.
