DIVISION MEMORANDUM
No 410 s. 2023

THREE-SATURDAY CAPABILITY BUILDING FOR ALTERNATIVE LEARNING SYSTEM (ALS) MOBILE TEACHERS AND FACILITATORS

To: Chief Education Supervisors of CID and SGOD
Education Program Supervisor for Alternative Learning System (ALS)
Public Schools District Supervisors
All Others Concerned

1. In line with the existing Memorandum of Agreement (MOA) between the Benguet State University (BSU) and the Schools Division of Benguet, the BSU College of Numeracy and Applied Sciences, will be conducting a three-Saturday Capability Building Lecture-Workshop for Alternative Learning System (ALS) Mobile Teachers and Facilitators on November 18, 2023, November 25, 2023, and December 2, 2023 to be held in the said college campus.
2. The activity, entitled "**Engendering Competence and Capability Building for ALS Mobile Teachers and Facilitators: A Lecture Series III,**" aims to share teaching strategies for selected topics in Mathematics, Physics, Statistics, and General Science.
3. Considering the relevance of this initiative, all ALS mobile teachers and facilitators in the 14 districts are advised to join this activity by registering at the link provided by the said college, their letter of which is attached to this memorandum.
4. Transportation and other incidental expenses of participants shall be charged to local funds subject to the usual auditing rules and regulations. Participants are also entitled to service credits/COCs subject to existing guidelines.
5. Immediate dissemination of and compliance with this memorandum is desired.

SALLY L. BANAKEN-ULLALIM , CESO V

Schools Division Superintendent
 Benguet Division Office
 Wangal, La Trinidad, Benguet

Ma'am:

Cordial Salutations to your Office!

The College of Numeracy and Applied Sciences of the Benguet State University would like to invite all Mobile Teachers and Facilitators of the Alternative Learning System under your supervision to attend the 3-Saturday extension activity organized by the college titled **"ENGENDERING COMPETENCE AND CAPABILITY BUILDING FOR ALTERNATIVE LEARNING SYSTEM (ALS) MOBILE TEACHERS AND FACILITATORS: A LECTURE-WORKSHOP SERIES III"**. The lecture -workshop intends to share teaching strategies for the selected topics in Mathematics, Physics, Statistics, and General Science.

To date, there is an active partnership or an existing Memorandum of Agreement between Benguet State University and the Department of Education, Benguet. The College of Numeracy and Applied Sciences designed the 3-day seminar/lecture --workshop to deliver one of the obligations of BSU by providing training through various means for the professional development of teachers. It is a way to address the assessed needs of High School teachers in the Junior High level, Senior high level, and the Alternative Learning System conducted last November 2022.

The schedules are as follows: **November 18, 2023 ; November 25, 2023;** and **December 2, 2023**

To help us organize the flow of the activities and have an estimate of the number of training kits to prepare, we would like to request your good office to let the participants take the early registration by answering the form. Below is the link and QR code of the preregistration form

https://docs.google.com/forms/d/e/1FAIpQLSc_3ffx8matNvy874svTrYxrHzMWBSSjpQyle1I9C9bjvX1Pg/viewform?usp=pp_url

If you have queries or clarifications, contact us at cnas@bsu.edu.ph

We are looking forward to your participation. Thank you so much.

Very truly yours,

MONICA S. ALIMONDO
 College Extension Coordinator, CNAS
