**2021 S&T UNDERGRADUATE SCHOLARSHIP**

1. In adherence to IATF protocols, the conduct of the 2021 S & T Undergraduate Scholarship Examination which was scheduled in October 2020 was moved to a later date within the first semester of 2021 but this was not possible considering the safety of both examinees and testing personnel.
2. Other than administering the examination, the DOST-SEI considered proxy indicators as practiced now by schools/universities in their admission process. One of the proxy indicators identified are the grades of the applicants for the following periods:

9	Average of first to fourth grading period
10	Average of first to fourth grading period
11	Average of first to second grading period (1 <sup>st</sup> semester only)
