SPORTS MANAGERS, COORDINATORS' TRAINING AND ORIENTATION ON THE CONDUCT OF THE PROVINCIAL VIRTUAL SPORTS SKILLS DEMONSTRATION CONTEST

I. RATIONALE

The Sporting world is at halt! The COVID-19 global pandemic gave no fighting chance for the student-athletes to showcase their skills and talents. It stopped many sporting events, even moving the 2020 Tokyo Olympics to another year. The pandemic may have halted the face-to-face sports competition in various levels, but it will never cease the competitive spirit of our student-athletes. This can only be realized through the initiatives of our Teacher-Coaches and sports leaders. Secretary of Education madam Briones said, "Let education continue. . ." and this includes sports.

The Division Sports Tournament Managers planning workshop was conducted. Each program proposal owner has devised the mechanics of the virtual sports competition. Hence, this activity is called to train/orient the sports coordinators, managers, coaches, trainers/handlers on how this Provincial Virtual Sports Skills Demonstration Contest be conducted.

II. OBJECTIVE:

1. To create programs for student-athletes on their continuous growth and development on their chosen sports through a virtual sports competition.
2. To develop the mechanics, strategies and guidelines on the conduct of the 2022 Benguet Provincial Virtual Sports Meet by benchmarking on the national sports skills demonstration contest recently conducted.

Limited face to face training/orientation strictly following the prevailing AITF protocols
