### THE MANAGER

Benguet Division Office Employees MPC  
DepEd Division Office, Wangal, La Trinidad, Benguet

Sir/Madam:

Greetings from Phil. Red Cross.

We, at the Benguet Chapter of the Philippine Red Cross, humbly extend our invitation to the esteemed Board of Directors of your cooperative to join hands with us in various humanitarian endeavors. As an organization that values social responsibility, we believe that by working together, we can make a greater impact on the lives of those in need.

One of the key areas where your cooperative can make a difference is in the field of Blood Services. By supporting our voluntary blood donation drives, you can help save lives and contribute to the health and well-being of our community. We invite you to spearhead an annual blood drive for your employees and stakeholders, and be part of this life-saving initiative.

In addition, we also invite you to consider becoming annual members of the Red Cross through our enhanced Platinum membership program. With an annual due of 1,200 per individual, this membership comes with accidental insurance coverage and other benefits. We also offer Gold and Silver membership options with lower annual dues and varying levels of accidental coverage. This membership could be beneficial for your board members and managers, providing them with added security and support.

Furthermore, we offer Safety Services programs that include first aid training for your staff. These trainings are DOLE recognized and in line with Occupational Safety and Health standards. By equipping your employees with the necessary skills and knowledge, you can create a safer and healthier work environment for everyone.

Lastly, we also invite you to support our Health Services initiatives, which include primary health care projects such as Information, Education, and Communication (IEC) campaigns and Health caravans. By partnering with us, you can help promote awareness and improve access to healthcare services for those in need.

Should you wish to explore these opportunities further, we would be more than happy to discuss them in detail. Please do not hesitate to contact the undersigned at 09189592005 to schedule a meeting. Together, we can make a difference and create a more compassionate and caring community.

I remain,
