Dear Maam Cariño:

Greetings!

The **Norwegian Shipowners Association (NSA) Cadet Program**, as part of the Norwegian Maritime Foundation of the Philippines Inc. (NMFPI), aims to develop Filipino maritime professionals through scholarships and top-tier maritime education. Since its launch in 1993, the program has produced over 6,000 merchant marine officers compliant with STCW standards, who now serve on international vessels.

We partner with esteemed maritime institutions such as the DMMA College of Southern Philippines, Lyceum University of the Philippines – Batangas, and the University of Cebu-Lapu Lapu and Mandaue. The program's structure involves 2 years of schooling, 1 year at sea as a cadet, and a final year back at school to complete academic requirements.

The scholarship benefits include:

- Education at a prestigious maritime institution
- Free dormitory, board, and lodging for the first two years
- Apprenticeship Training
- Free training and upgrading courses
- Leadership and character development programs
- Opportunities to travel worldwide during apprenticeship

We respectfully request your endorsement of our scholarship offer among your schools under your SDO leadership, to all existing Grade 12 students or qualified alumni. We can send campaign materials to your office, if needed. We offer Bachelor of Science degrees in Marine Transportation and Marine Engineering, leading to careers as Ship Captains and Chief Engineers.

Interested applicants are welcome to apply online at <https://nsacadet.com/> beginning July 15, 2025.

Further, you can visit and be updated through the NSA's Official Social Media Accounts:
