ANDROMEDA ASTRONOMY EVENT FOR SY 2025-2026

The Andromeda Mobile Planetarium, an affiliate member of the Philippine Astronomical Society, will conduct the Astronomy Event at various schools for SY 2025-2026, with elementary and secondary school learners, teachers and even the community as intended participants.

The activity aims to promote astronomical discoveries among learners and teachers and the public in general, upgrade teachers on trends related to Astronomy among other things.

The event will feature series of educational activities designed to enhance science learning.

Participation of learners and teachers from both public and private schools shall be purely voluntary and will not hamper instructional time in compliance with the provisions of DepEd Order No. 012, s. 2025, titled Multi-Year Implementing Guidelines on the School Calendar and Activities and DO.9, s. 2005 titled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith and the policy on off-campus activities stated on DO 66, s. 2017.

This is also subject to the no-collection policy as stated in Section 3 of RA 5566 also known as An Act Prohibiting Sale of Tickets and/or the collection of Contributions for Whatever Projects or Purpose from Students and Teachers of Public and Pprivate schools, Colleges, and Universities.
