Dear RD Cariño,

Warm greetings!

In line with our continued commitment to promoting awareness and understanding of the **National Health Insurance Program (NHIP)** among Filipino learners, we are pleased to inform you of an upcoming **PhilHealth Learners' Module (PLM)-Training of Trainers (TOT)** session to be conducted within the school area scheduled on the following dates indicated below:

Date of Activity	Time	Attendees
November 11, 2025	8:00AM-12:00Noon	Grade 8 MAPEH Teachers, Principals & Head Teachers
November 12, 2025	8:00AM-12:00Noon	Grade 8 MAPEH Teachers, Teaching & non-Teaching Staff
November 13, 2025	8:00AM-12:00Noon	School Nurses and other Medical Teams

The training aims to orient and capacitate **MAPEH teachers** and other relevant teaching staff on the **PhilHealth Learners' Module (PLM)**, which was originally certified by the Bureau of Secondary Education of the Department of Education (DepEd) on March 2, 2015. The inclusion of NHIP in the **Grade 10 MAPEH Curriculum** under the topic "Consumer Health" is in accordance with **Section 30 of Republic Act 11223 or the Universal Health Care (UHC) Act of 2019**.

However, pursuant to **DepEd Memorandum dated July 27, 2023**, and based on the recent comprehensive review of the K to 12 curricula, the topic "**Health Information, Products, Services and Providers**"—which includes the NHIP—has been **repositioned from Grade 10 to Grade 8**.

In response, PhilHealth has **updated the PLM** to align with these curriculum changes and integrate the provisions of the UHC Act. As such, we are inviting the above attendees of every National High Schools to participate in this TOT.

We believe that through this initiative, we can empower educators to better inform and guide learners about their health rights and responsibilities as future members of the NHIP

Kindly confirm your participants on or before **November 10, 2025** through this number **09206838616** or email us at **lhiobenguet@gmail.com**.

Thank you for your continued partnership in advancing the health education of our learners.

Very truly yours,

NOLAND G. SABLING, MMHSM, MHRM, MDM
